

Regulations

Do not collect, remove or damage any material, living or dead, from Protected Areas.

It is prohibited to drive off marked tracks and to drive any motor vehicles on any beach.

Camping is prohibited unless in designated areas (by notice).

Do not litter. Place garbage in proper disposal containers or take it with you.

It is prohibited to access any closed area.

It is prohibited to walk or anchor on any reef area. Please use marked access points.

Fish feeding upsets the biological balance on the reef and is therefore prohibited.

Fishing and spear fishing are not allowed in Protected Areas.

All visitors must leave Protected Areas by sunset unless using a designated camping area.

Access to diving areas is recommended at designated access points only.

Please take note of any instructions posted in Protected Areas.

Offenders are subject to prosecution according to the terms of Law 102 of 1983.
